

May 2017 Newsletter for Our Redeemer Lutheran Church

Highlights for May

The Wednesday Noon Bible Study will continue until May 17. We are currently working on Proverbs. Feel free to drop in and join in on the discussion. Read some of Proverbs to prep yourself, but even without prior reading, you will find the time beneficial.

Soulspace First Sunday of the Month (May 7)

This is a time of contemplative prayer in the style of Taizé. We sing chants like "O Lord Hear My Prayer" and "Stay Here and Keep Watch With Me", we hear a brief passage from the Bible, and we spend time in silent reflection. Bring a friend.

Tuesday, May 9 BC Election Day

The Fellowship Hall of ORLC will be a voting place on BC Election Day. The election crew will be here from early on the morning until late in the evening, so it is best to leave whatever task you might have in the hall or kitchen or janitorial

area for some other day. Other than this exclusion, the church office will be open and the sanctuary will also be accessible.

Annual Choir Concert: Sunday, May 14, 7:00 p.m.

For a special treat on Mother's Day, come to hear our amazing ORLC Choir as it marks the end of the choir season. There will be dessert and refreshments afterwards.
